# E10 (720P DVR)

Marketing point:  
1,Low cost,  
2,So small,  
3,Good image quality.

## Products description

DSP: NTK 96223  
Sensor: SC 1143, 1.0 Mega pixel  
LCD: 2.0" LCD screen  
**Resolution: 720P HD at 30fps**  
1080P Full HD at 24fps(interpolated)  
Video Compression Format:M-JPEG AVI  
Lens: 4G glass lens ( TY 6009)  
Power: Capacitor version+RTC battery  
WIFI: No support  
GPS: No support  
Two Channel: No support  
RF control: No support  
AV out : No support  
Function: Emergency recording, loop recording  
G-sensor and motion detection  
Accessories: Cigarette power lead, USB cable,  
suction cup User manual, Corrugated color box

# E10-P (1080P DVR)

Marketing point:  
1,Low cost,  
2,So small,  
3,Good image quality.

## Products description

DSP: NTK 96658

Sensor: GC2053

LCD: 2.0" LCD screen

**Resolution: 1080P Full HD at 30fps**

Video Compression Format:M-JPEG AVI

Lens: 4G glass lens

Power: Capacitor version+RTC battery

WIFI: No support

GPS: No support

Two Channel: No support

RF control: No support

AV out : No support

Function: Emergency recording, loop recording

G-sensor and motion detection

Accessories: Cigarette power lead, USB cable,  
suction cup User manual, Corrugated color box

# E11 (1080P DVR)

## Products description

### Marketing point:

- 1, Low cost,
- 2, So small,
- 3, Good image quality.

DSP: NTK 96658  
Sensor: SC2143, 2.0 Mega Pixel  
LCD: 2.0" LCD screen  
Resolution: 1080P Full HD at 30fps  
Video Compression Format: H.264 MOV  
Lens: 4G lens  
Power: Capacitor version+RTC battery  
WIFI: No support  
GPS: No support  
Two Channel: No support  
RF control: No support  
AV out: No support  
Function: Emergency recording, loop recording G-sensor and motion detection  
Accessories: Cigarette power lead, USB cable, suction cup  
User manual, Corrugated color box

# E12 (1080P DVR)

## Marketing point:

- 1, Sony sensor.
- 2, So small,
- 3, Good image quality.

## Products description

DSP: NTK 96658

Sensor: SONY IMX323

LCD: 2.0" LCD screen

Resolution: 1080P Full HD at 30fps

Video Compression Format:H.264 MOV

Lens: 6G lens

Power: Capacitor version+RTC battery

WIFI: No support

GPS: External GPS support

Two Channel: No support

RF control: No support

AV out: support

Function: Emergency recording, loop recording

G-sensor and motion detection

Accessories: Cigarette power lead, USB cable, suction cup User manual, Corrugated color box

# WD6 (1080P DVR)

## Products description

### Marketing point:

- 1, Sony sensor.
- 2, Nice body, and so small,
- 3, Good image quality.

DSP: NTK96658  
Sensor: SONY IMX323  
LCD : 2.0" LCD screen  
Resolution: 1080P Full HD at 30fps  
Video Compression Format: H.264 MOV  
Lens: 6G glass lens  
Power : Capacitor version+RTC battery  
WIFI: Support (APP control)  
GPS: Support External GPS  
Two Channel: No support  
RF control: No support  
AV out: support  
Function: Emergency recording, loop recording  
G-sensor and motion detection  
Accessories: Cigarette power lead, USB cable, suction cup User manual, Corrugated color box

# E20S (1080P Two Channel DVR)

## Products description

DSP: NTK 96663  
Sensor: Front camera SONY IMX323  
Back camera SONY IMX323  
LCD: 2.0" LCD screen  
Resolution: Front 1080P+ Rear 1080P  
Video Compression Format:H.264 MOV  
Lens: Front 6G glass lens+ Rear 5G lens  
Power: Battery version  
WIFI: No Support  
GPS: Support External GPS  
Two Channel: Support Front 1080P+ Rear 1080P  
RF control: No support  
AV out: No support  
Function: Emergency recording, loop recording  
G-sensor and motion detection GPS  
Accessories: Cigarette power lead, USB cable,suction cup, rear camera cable  
User manual, Corrugated color box

### Marketing point:

- 1,Sony sensor.
- 2,Two channel
- 3,Good image quality.

# DR011 (1080P Two Channel DVR)

Marketing point:  
1, Sony sensor, two channel,  
2, Nice body, and so small,  
3, Good image quality.

## Products description

DSP: NT96663

Sensor: Sony291 +Sony 323

LCD: 1.5 inch

Resolution: Front 1080P + 1080P

Video Compression Format: H.264 MOV

LENS: Front 6G IR

Rear: 5G IR with FOV/D/H/V: 160/135/110/59.2 F/N: 1.8

Power: Super Capacitor version

Wifi: No support

GPS: External

RF control: No support

AV out: No support

Function: Emergency recording, loop recording

G-sensor and motion detection

Accessories: Cigarette power lead, USB cable, suction cup, rear camera cable

User manual, Corrugated color box

# DR021 (1080P Two Channel DVR)

Marketing point:  
1, Sony sensor, two channel,  
2, Nice body,  
3, Good image quality.

## Products description

DSP: NTK96675  
Sensor: solution Front IMX307 Rear AHD  
LCD: 1.5 inch  
Resolution: Front 1080P+ Rear 1080P  
Video Compression Format: H.264 MOV  
Lens: 6G Glass Lens with Fno. 1.8  
Power: Super Capacitor version  
WIFI: Support  
GPS: Built-in GPS  
Two Channel: Support Front 1080P+ Rear 720P  
RF control: No support  
AV out: No support  
Function: Emergency recording, loop recording  
G-sensor and motion detection  
Accessories: Cigarette power lead, USB cable, suction cup, rear camera cable  
User manual, Corrugated color box

# DR031P (1080P Two Channel DVR)

## Products description

DSP: NTK96663  
Sensor: Front IMX323 Rear: IMX323  
LCD: 2.7"inch LCD screen  
Resolution: Front 1080P+ Rear 1080P  
Video Compression Format:H.264 MOV  
Lens: Front 6G glass lens+ Rear 5G lens  
Power: Battery version  
WIFI: Support  
GPS: Support External GPS  
Two Channel: Support Front 1080P+ Rear 1080P  
RF control: No support  
AV out: No support  
Function: Emergency recording, loop recording  
G-sensor and motion detection GPS  
Accessories: Cigarette power lead, USB cable,suction cup, rear camera cable  
User manual, Corrugated color box

### Marketing point:

- 1,Sony sensor, two channel,
- 2,Nice body,
- 3,Good image quality.

# MT1 (1080P Two Channel Motorbike DVR)

## Products description

DSP: NTK 96663  
Sensor: Front camera IMX323 Back camera IMX323  
LCD : 2.7" LCD screen  
Resolution: Front 1080P+ Rear 1080P  
Video Compression Format: H.264 MOV  
Lens: Front+Rear lens waterproof 6G glass  
Power: Capacitor version  
WIFI: Support  
GPS: Support External GPS  
Two Channel: Support Front 1080P+ Rear 1080P  
RF control: Support ( with wire)  
External Microphone:Support  
Function: Emergency recording, loop recording  
G-sensor and motion detection  
Accessories: Cigarette power lead, USB cable,  
suction cup, rear camera cable  
User manual, Corrugated color box  
Case: Center controller body non-waterproof

### Marketing point:

- 1,Sony sensor, two channel,
- 2,Motorbike DVR,
- 3,Good image quality.

# E20-4K (4K DVR)

## Products description

DSP: NTK96685T

Sensor: Sony IMX 317

LCD: 2.0" LCD screen

Resolution: 4K (3840\*2160,16:9): 30fps,25fps;

Video Compression Format: H.265/MP4/,H.264/MP4

Lens: 6G glass class, FOV135

Power: Battery version

WIFI: Yes (Supports 5.8GHz and 2.4GHz)

GPS: Support External GPS

RF control: No support

AV out: No support

Function: Emergency recording, loop recording

G-sensor and motion detection GPS

Accessories: Cigarette power lead, USB cable,suction cup, rear camera cable

User manual, Corrugated color box

Marketing point:

- 1,Sony sensor.
- 2,Real 4K resolution,
- 3,Good image quality.

## Products description

Size: 174x27.5mm

Battery: 2600mAH

Motor: 200Hous

Battery life: 90Min

Charge current: 1A

Accessories: USB cable, User manual, Corrugated color box

***END***

***Thanks!***
